Princeton, New Jersey

Dear Harold:

Thank you for your letter of 1 April, announcing the sixth year of the Rockefeller Public Service Awards Program.

As you are aware, we have been interested in this program since its inception and only regret that we have not been able to participate directly in supporting the program because of restrictions imposed by our security requirements. The new application procedure is of particular interest to me since it will make it more practical for us to participate.

Mr. Gordon M. Stewart, Director of Personnel, is designated as the point of contact with the staff of the Committee on Selection.

Sincerely,

Allen W. Dulles
Director

A new procedure has been instituted by the University whereby all applications are to be accepted from agencies and not directly from individuals, as in the past.
